Minutes:

Old Business: Specific guidelines for coordinators, John D. discussed that they are responsible for filling the panel. Concerns about treatment centers leaving with basic texts after they are donated. Welcome packets are being made up for H&I panels because members had discussed how important IPs are in getting the message out without giving out more basic texts.

New Business: Group orientation will be held on July 27th at the next subcommittee meeting. Flyers will be made, and information should be mentioned in home groups to help get the message out. Readings should be kept with members going to the panels and taken out by those same members—an updated list of members involved in H&I with phone numbers and emails so coordinators can reach out to fill panels. Janet D. will start working at the new jail which so can be a point of contact for getting panels in. Putting PI pamphlets back in storage. 50 packets of IPs have been made for coordinators to bring into facilities.
