Vice Chair – Stephanie B. Hey everybody, I’m Stephanie and I’m an addict! Grateful to be of service to the area and all recovering addicts! With all the wonky stuff that’s going around the world and the things that are affecting NA as a whole, it is my greatest desire to keep our fellowship here alive and functioning as it has for the past almost 70 years! With limited stock on literature, to back orders of hard bound Basic Texts, to virtual meetings and pandemic social distancing, masks, ETC... Many of us have not weathered the storm very well. We have lost addicts to overdoses and suicides in huge numbers so our challenges are great! I pray you will all Join with me to keep our fellowship alive for the

newcomers as it was for us when we were ready to come! In loving service to God and all addicts everywhere....

Stephanie.

PR –Vincent: Plenty of literature & IP racks for any possible new locations. Need to make an effort to reach out to more possible new locations, Missed an event because I was out of town, Most members were at the campout and we had short notice. Need to keep an eye out for more events like these. We are going to try and plan an art event in September. Hopefully we will have more details next area. Phone line seems to be going well, let me know if there are any concerns or questions.

NAWS is out of stock and

running into trouble ordering more due to the stated of the world. I will do my best to keep everyone informed on when we will be able to get more. Please keep doing a great job of getting our literature out there and keeping our literature orders large. In loving service Kirk C.

T-Shirts- Dave has the T-shirts and is going to bring them down to ARCNA Dave would suggest that we get totes for the shirts. John would like to suggest that there is a new committee for T-shirts. Trent states that we should bring Bailey into the conversation Stephanie lets start talking about artwork.

Secretary –Crystal N paid the P.O. Box and registered it as YASC committee but attached my name to the box as we were locked out due to non-payment, I have placed a date in my Calendar so that I know when to pay the P.O. Box for next year 09-01-22. There has not been mail in the box. I have received suggestion from another member regarding making sure the minutes reflect all the money that was used or gained, and I have already started to implement this in the last minutes, it will only get better from here. I do realize that my timeliness is something I need to work on. I want to set a goal to get the minutes done right after area so that I do not procrastinate. I do need to make sure that all the subcommittees are turning in a report with the numbers I need to ensure that the minute report is done correctly with the correct numbers. There are some things that I will continue to work on as I grow into the roll of being the secretary for Area, Thank you in loving service Crystal N..
