I look forward to all that NA in our area has to offer in the coming year! We are strong! We are vigilant for our recovery. We can make things happen as we have been over the past couple of years! Subcommittee Reports

Activities- Jamie S. please see attached report

H&I Chair Elana T:

- H&I is going well, usual concerns about filling the calendar there was some confusion about the Journey program at juvie. Carlos had been inviting multiple people from different fellowships. I spoke to him about this and said that if we are coming in as an H&I panel, it is confusing to have multiple messages and the NA message is blurred. He wants us to continue coming. His only concern is that if we must cancel due to not having two panel members.
- Paramount and DP do go to outside meetings but have little exposure to NA.
- Region wants to help us plan an H&I information event (possibly Jan). To jump start the new year with service. We will include a full group orientation at this event to insure we are carrying a clear NA Message.
- We are suggesting that all panel members carry IP's and literature to the facilities.
- We welcomed 4 new members this month.

H&I Vice Chair-Darby B.
