**Secretary – Jess R:** Please turn in your GSR, subcommittee reports, and motions. Please let me know if you plan on emailing me your reports.

## **RCM1 – John D:**

Good morning, Yavapai Family,

First, I owe you all an apology for not sending my report from our last area meeting to have it included in the October minutes. My notes from WSLD that made up the bulk of my report have been sent via email to the GSR distribution list.

Moving along. Thank you to all the members that were able to attend the Fall Regional Assembly in Cottonwood last month. There was a wealth of information shared and a positive turnout of members from all over the Arizona Region. I will include the presentation deck in my minutes. I would like to remind all members that there is a Zoom link for these types of events so that all members are able to join regardless of their ability to travel. The next assembly will be the CAR Assembly held in the West Valley Area on December 13th in Litchfield Park, AZ (flyer attached with address and Zoom login information). I will attend this event in person.

# YASC MINUTES

As we are quickly approaching 2026, I am in hopes that there will be some SOW for the RCM 1 and RCM 2 service roles. With our RCM 2 having to step back from service for the time being, that leaves us with no member ready to step up into the RCM 1 role. Any willing members are more than welcome to contact me to discuss their interests or to get more information about the service role. I am also willing to continue in the role until a newly elected member is confident in their ability to serve our Area at the Regional level. The opportunities and growth in my recovery through knowledge and understanding of our life-saving fellowship have been priceless. More will be revealed as elections kick off.

As part of my commitment to the YASC, I am asking for the group conscience on the best way to deliver information from WSLD. With the holidays around the corner, I am thinking that it might be best to wait for the start of 2026 to possibly co-host a TSLD activities event with the Activities Subcommittee. Seeking feedback from the groups/YASC would help make this learning day successful.

Below, I have listed some important dates from our Arizona-na.org website's calendar. It is suggested that you stay up to date on activities, events, and meetings that are frequently updated on the site. You can also subscribe to the calendar by clicking the link below.

## **OUTREACH: OPEN**

## **NACONA – Mo:**

- We are almost there.
- Met yesterday; everything appears set. Programs should be printed this week.
- Members who are not staying at the hotel are encouraged to purchase meal tickets, as the committee is still short on budget.
- Service opportunities are available, including the Hug Squad (greeting members and giving directions). This is an important role, and willingness is appreciated.
- Still in need of auction items; please bring donations if you have anything to contribute.

### *Discussion:*

- Annette: Meal tickets on the website were set to expire on Nov 7, so they are currently not visible. This will be fixed today.
- Bailey: Asked if members should be told to buy tickets at the door.
- Mo: Meal tickets will be available at the door, but the website will also be updated.
- Annette: Confirmed she just needs to turn them back on.
- Dave: Asked where to sign up for the Hug Squad.
- Mo: A sign-up sheet will be available at the event.

## **Old Business:**

### **Kevin and Bailey are continuing to look into new locations for Area committee meetings:**

- Bailey: Did not make progress last month but recently found a possible location. Asked if anyone has connections to the orange building across from the Salvation Army.
- Dave: Clarified the purpose is to find a space where children are allowed, since they are not permitted in the current room.
- Bailey: Shared that the goal is to find a new location for Area and potentially a place where all subcommittees could meet on the same day.
- Kevin: Stated that subcommittee scheduling is secondary and up to each committee; the main priority is having a child-friendly space.
- Dave: Noted that Area does not decide when or where subcommittees meet.
- Bailey: Reaffirmed her intention was to locate a place that could host all meetings in one day if desired.
- Dave: Item was tabled again.
- Kevin: Requested any additional suggestions and emphasized openness to options that may increase participation in service.

### Discussion on Dual Service Positions:

- A discussion was held regarding whether Dave could simultaneously serve on the NACONA committee and also hold a position such as RCM1.
- Mo shared that NACONA will be hosting a three-day camp-vention next year, followed by the full convention the year after. This was part of a broader conversation about the time commitment required for NACONA service.
- Dave noted that he plans to step up for the NACONA Treasurer position and suggested that someone consider stepping up for RCM2 to begin training for the role.
- John D. shared a Statement of Willingness during the discussion; however, it was later rescinded and will not be included in the official minutes.

**Mo: RCM (1 or 2) stated she could either one.**

Questions:

- Vickie: Noted that Mo is currently the GSR for their home group and stated that Mo cannot serve as both GSR and RCM.
- Mo: Shared hope that Jay might step up for the position.
- Bailey: Asked Mo if she would be willing to step into the RCM2 role and then rotate into RCM1 the following year.
- John: Encouraged Mo, stating he has served with her and supports her taking the position.
- Annette: Spoke about the spirit of rotation, noting that the Area tends to keep individuals in positions too long, which leads to burnout. She emphasized that if positions remain unfilled, they simply stay open until a member steps up. She highlighted that service is about showing up and supporting one another, sharing an example of PR stepping into their role with little experience and now thriving.

## LITERATURE CHAIR:

- **No members stepped up for the Literature Chair position.**

### Discussion:

- Annette: Stated that if the Literature Chair position remains vacant, it may be helpful for GSRs to understand the impact. Without a Literature Chair, groups would have to order literature directly from World Services, which is more expensive.
- Caprice: Shared she is willing to continue serving but wants to leave the position open for anyone else interested.
- Vickie: Asked if Caprice planned to submit a Statement of Willingness.
- Caprice: Stated she is not submitting one at this time.
- Annette: Clarified that Caprice will continue filling the role until someone steps up.
- Dave: Said that as long as there is no conflict between serving as NACONA Treasurer and Literature Chair, he is willing to step up. He has experience in the position and does not currently have access to a bank account with funds.

## STATEMENT OF WILLINGNESS – Dave:

- Dave verbally answered the Statement of Willingness questions (no physical copy submitted at this time).
- He shared that he has held many service commitments over the years.
- He acknowledged that he previously misappropriated funds unintentionally and repaid the amount immediately.

Kevin: Dave is a huge inspiration to me. That's why I want to be of service as much as I can.

## Side conversation (1):

- Bailey: Asked if members prefer holding Area on Sunday mornings.
- The majority of members present expressed that they do.

## Side conversation (2):

- Elana: Shared that she has not submitted a Statement of Willingness for Activities Chair. If no one steps up, she is willing to continue helping with event setup. However, the position is very time-consuming and has pulled her away from her teenager, who needs her. She is willing to be of service but does not want to hold the chair position.
- Bailey: Suggested Ashley C. for the Activities Chair position.
- Ashley C.: Stated she cannot submit a Statement of Willingness today but will discuss it with her husband and report back.
- Dave: Encouraged Ashley, stating that members in the Area will be more than willing to support her.

## Mark: H&I Chair

- Mark stated he would be completing a Statement of Willingness and emailing it to Jess for inclusion in the minutes.
- Shared his goal of increasing involvement and attracting more members to participate in H&I service.
- *Note: No Statement of Willingness was received.*
